

Assistant Director/Professional Counselor II
UNIVERSITY COUNSELING CENTER
Full-time, 12 month position

The University Counseling Center (UCC) at Texas A&M University-Corpus Christi is seeking a team oriented, experienced generalist with strong clinical skills to serve as Assistant Director and provide administrative oversight of the UCC practicum/intern training program. The Assistant Director is responsible for the recruitment and selection of graduate practicum/intern students and will oversee the development and execution of training policies and procedures, and provide consultative supervision to clinical supervisors. The Assistant Director will also assist the UCC leadership team with administrative tasks, provide consultation and guidance to clinical staff regarding clinical dilemmas and crises in the absence of the UCC Director and Associate Director, and supervise designated front office support staff. This position also requires the provision of clinical services including individual and group counseling, intake evaluation, crisis assessment and intervention, and outreach programming and consultation services.

Minimum Qualifications:

- Master's degree in counseling or psychology field.
- Licensed as a Psychologist or LPC in the state of Texas.
- Minimum of three (3) years of professional post-masters counseling experience in a college counseling or outpatient counseling setting.
- Demonstrated competency in providing short-term counseling, crisis intervention, and triage services to adolescents or young adults in an outpatient clinical setting
- Experience in providing training and clinical supervision to trainees.
- Demonstrated program development and management skills
- Experience in assessment and intervention of individuals with a range of disorders and serious mental health concerns, including trauma and life-threatening crises.
- Excellent oral and written communication skills and high level of professionalism and professional ethics.
- Ability to interact effectively and professionally with students, staff, faculty and administrators
- Knowledge and experience with Electronic Medical Records systems
- Multicultural awareness and competency

Preferred Qualifications:

- Five or more years of professional post- master's counseling experiences with adolescents and/or adults in an outpatient setting.
- Licensed as an LPC-S (Licensed Professional Counselor Supervisor) in Texas and/or specialized training in clinical supervision
- Experience providing counseling services as a professional staff member in a university setting.
- Experience providing clinical supervision and training to master's level counseling trainees in a college or university counseling center.
- Experience coordinating a clinical training program in a college or university counseling center
- Administrative and supervisory experience in a university counseling center or similar entity
- Expertise in crisis intervention and management
- Quantitative assessment and evaluation experience

To Apply:

- Visit <https://islanderjobs.tamucc.edu> to complete an on-line application. Application requires a cover letter, curriculum vitae, and a list of three references familiar with your clinical work.
- Applications will be accepted until the position is filled.

Salary and Benefits:

- Salary is commensurate with experience and qualifications. Competitive benefits package.
